

Wootton St. Peters C of E Primary School

Our children become the rocks upon which a better world can be built.

Our Vision: **Our children become the rocks upon which a better world can be built. We explore the values of perseverance, compassion and courage to open up horizons of hope and aspiration.**

Monday 7th Apr- Friday 19th April- Half Term.

Monday 21 Apr- Bank Holiday.

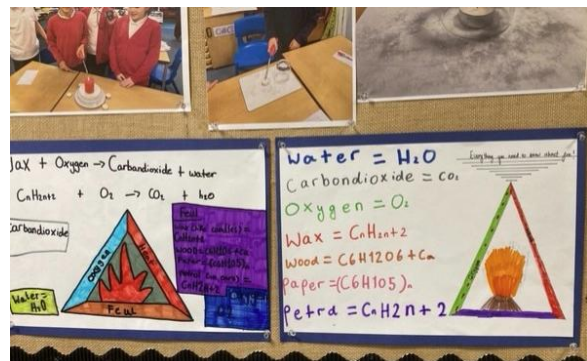

Tuesday 22nd Apr- School Starts 8.30am.

Parents/carers-

Thank you to Open the Book for delivering a lovely collective worship today. They reminded us that the children's word of the year is 'kindness'. Thankfully this is something I see on a daily basis and this makes Wootton a wonderful community to be part of.

Your children have continued to wow us as they tackle the high quality learning opportunities with perseverance and a determination to do their very best. If you have a child in Jade class you would have seen their beautiful lava lamps they made in Science. The Tudor houses are coming into Opal class, and we are very excited about the forthcoming recreation of the Great Fire of London at the end of Opal class's class assembly on Wednesday 12th Feb at 9am. Opal class have also produced excellent writing about the Fire.

Little Gems have showcased their learning about the planets with their spectacular writing. Moonstone class are excellent scientists and they have been learning about irreversible changes and using chemical symbols.

safeguarding Police Visit

Some of you may have seen that the police were in the reception area by the office this afternoon. We had an ex-student visit us who was distressed. As you know we take our safeguarding responsibilities very seriously so we decided to call the police to help the young person get the help that they needed. The situation is now resolved and the young person was grateful for the actions that we took.

Children's Mental Health Awareness

Week

The week's focus will be **Know Yourself, Grow Yourself**. We want to equip and empower children, young people, and the adults who surround them to embrace self-awareness and explore what it means to them. Your children will be exploring this further at school however you and your family can take part in Children's Mental Health Week from 3-9 February 2025 from home. To find out more and see the resources follow this link <https://www.childrensmentalhealthweek.org.uk/families/>

The School Shield

Little Gems – Jonah - For being really ready to learn and focused in his morning Nursery sounds activity. Great job Jonah 😊

Opal – Emiliia for a great week of learning, with some great writing and problem solving using subtraction. Well Done Emiliia 😊

Jade – Emily for smiling and enjoying acting out a Roman Myth. Well done Emily 😊

Moonstone – Layla - for your mature attitude to your learning and helping to ensure school life is harmonious. Fantastic Layla 😊

This weeks Maths Master

Little Gems- Lexi - For brilliant pattern-making and taking part in counting club.

Opal – Arthur for his subtraction work.

Jade – Jake for using efficient methods.

Moonstone – Layla and Jarius for persevering with long division.

Well done to all our wonderful mathematicians this week

This Week's ask me about??

Little Gems – The Chinese New Year animal race.

Opal – Our mouldy bread experiment.

Jade – Boudicca.

Moonstone – Long division.

Attendance This Week

Little Gems – 59%

Opal – 94.14%

Jade – 90.83%

Moonstone – 84.21%

Safeguarding information

The Designated Safeguarding Leads are **Mr Pitt, Miss Phillips** and **Mrs Shehan** (Thursdays only). Should you have any concerns please do contact us. Here is more information about how to keep your children safe only <https://www.nspcc.org.uk/keeping-children-safe/online-safety/>
