Parents/carers-

I have been taking part in a leading walk with one of our governors, Jo Elliott, and we saw so much to be proud of across the school. Your children are very well taught and supported by the excellent adults that we have in school. Children were engaged in their learning and were able to talk very positively about the teaching that they receive and how the teachers help them make progress. They know that practice makes progress!

Parent conversations

We are looking forward to talking to you about your child's learning over the next two weeks in our Parent Conversations. Don't forget that teachers will need to be strict with the 10 minutes that are allocated for each conversation, so please don't be offended when the timer goes and the teacher needs to end the meeting. We hope that this will help stop meetings over running

and you having to wait for your appointment. We look forward to seeing you there.

Stalls- We have a number of fun stalls planned, but need your help please! At present we have just 2 volunteers and in order for the Christmas Fair to take place we need more help. We are happy to arrange a rota system so that people can go around the activities with their children and also help on a stall. Just 30 mins of your time would be very helpful and enable the Christmas Fair to go ahead.

If you are able to help us run a stall for all or part of the fair, please contact Claire Hastie or Angela Goswell or email friends.wootton.school@gmail.com

Many thanks
