We are excited to be one of the schools taking part in Oxford's first Art Sculpture Trail, raising funds for Sobell House Hospice. Our mini-ox will be delivered after half term, ready to be decorated by pupils. It will then form part of a community herd from over 80 schools and 30 professional artists, to live in the town centre throughout summer 2024 and be enjoyed by the Oxfordshire community. After this, our mini-ox will return to live at Wootton St Peter's.

The funds raised will help support patients and families through services including specialist nursing care, bereavement support and music and art therapies. We really want to raise as much as we can, and if we raise £200, this will be kindly matched by Oxford Electrical Systems Ltd.

Watch this space for updates, but for now please check out our GoFundMe page and share it far and wide!
