

NEXT TERM STREET DANCE

Do you want to learn tricks and routines to the latest music?

Then look no further, in this class you will learn how to do tricks such as the baby freeze or the worm and learn new routines to the newest songs. You will learn basic routines and commercial routines like the ones you see in music videos.

It is fun, energetic and powerful. But there are limited spaces so act quickly if you want a chance to have a place in the class!

Wootton Primary School
