Parents/carers-

The Harvest Service was once again a huge success. Thank you to so many of you for your donations and for turning up in such high numbers to support the school and see your children sing so beautifully. Thank you to Sam LeBreton for leading singing assemblies this term so that the children could sing so beautifully. Thank you to Mr Herrington for playing the piano and to Rev Stephen Coe for leading the service. I know how great we are but it's always nice to hear from outside the

school too. A neighbour came to school to say how impressed she has been with the polite children walking past her house in the morning and in particular how kind they are to each other. I am very thankful for being part of such a vibrant school community.

Parent Conversations

Apologies for anyone experiencing technical difficulties booking parent conversations. Please contact the office who will be able to help. This year I have asked teachers to ensure they are using a timer to ensure that the conversations stick to 10 minutes. So please be ready to end the conversation when the timer shows that 10 minutes is up. Also if you have more than one child in the school do try to avoid booking back to back meetings as you will lose some of your conversation time getting to the next meeting. Please check backpacks/book bags for login and password information being sent home today.
