Thurs 20th July – Year 6 Leavers Service 2pm.

Friday 21st July - Last day of term. School finishes at 1.30pm **NO ASC**.

Tuesday 5th September – Term starts

Dear parents/carers, I have loved seeing all the fantastic art work that was produced in Arts Week, I was so sorry to miss it but am very proud of the fantastic team we have at school and of how we enrich our excellent curriculum. If you did not have the chance to come and see any of the work please do come in. The animal eyes created by Jade class are stunning!

We have continued to enrich the curriculum this week with a trip to Radley College for a music performance and to Abingdon Prep for a science workshop. I am sure there will be many more events like this next year.

Sports Day

Please come and join us for our annual sports day on Wednesday 5th July, at the cricket field (opposite the church, next to the park). It would be wonderful to have as many families and friends there to cheer our children on. We are aiming to start at 1pm and to finish at 3pm. Please can you collect your children from the cricket field at 3pm.

The children will be split into mixed teams with children from every year group. I will try to put siblings in the same team, so you can watch them together. In their teams, they will go

round a carousel of sports activities to score points together. To finish off, we will have running races for each year group

Please can you make sure the children have their PE kits, water bottle, sun hats and have applied sun cream ready for the event.

We hope it will be a really fun afternoon.

The School Shield

Little Gems – Sadaf for doing really well and for joining in all activities. Great job Sadaf 😊

Opal - Jake for his amazing writing about -The Storm Whale. Great work Jake 😊

Jade – Adam for his fantastic Diary writing. Well done Adam 😊

Moonstone – Kayson for his excellent independent writing and for putting his hand up and contributing in English. Amazing Kayson 😊

This Week's ask me about????

Little Gems – Can you show me Doubles using your fingers?

Opal - Our Beach hut Pictures.

Jade – Finishing our History Hackers book.

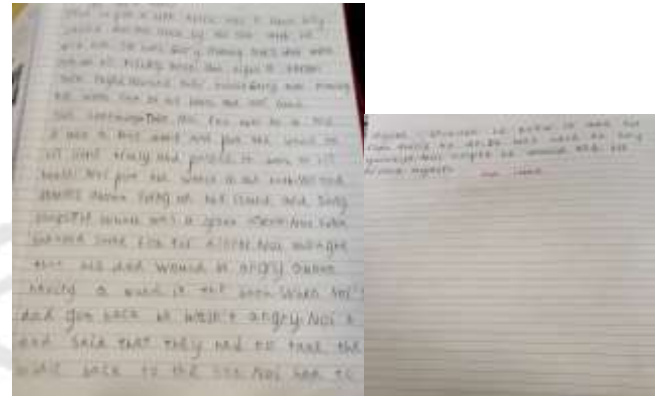

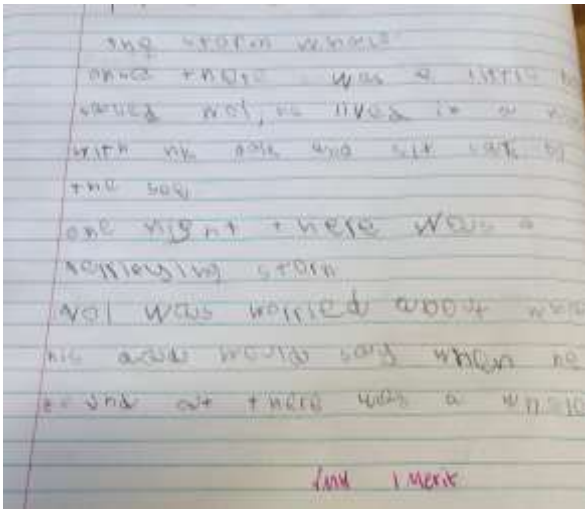

Moonstone – How to use an ammeter to measure current.

Please could any outstanding balance for BSC/ASC and school meals be cleared before the end of term. If you aren't sure if you have an outstanding balance, please contact the school office. Thank you.

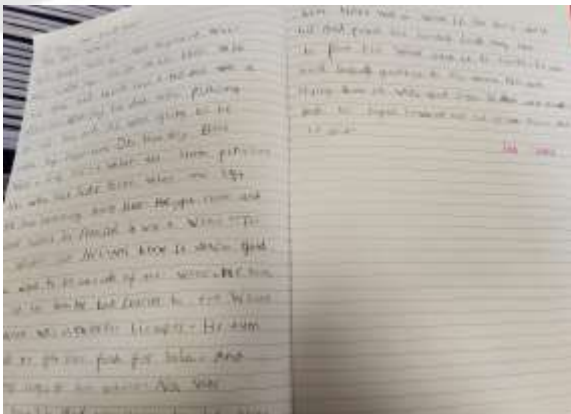

Opal Class - amazing writing about the Storm Whale.

Opal class - Tommy

Opal Class - Josiah

Opal class - Jake

Opal Class - Scarlett
