## **Privacy notice for governors and other volunteers.**

Under data protection law, individuals have a right to be informed about how the school uses any personal data we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about individuals working with the school in a voluntary capacity, including governors.

We, Wootton St Peter's CE Primary School Wootton Village, Boars Hill, Oxford, OX1 5HP, is the 'data controller' for the purposes of data protection law.

Our data protection officer is Nicola Cook of Schools DPO (see 'Contact us' below).

- Contact details
- References
- Evidence of qualifications
- Employment details
- Information about business and pecuniary interests

We may also collect, store and use information about you that falls into "special categories" of more sensitive personal data. This may include information about (where applicable):

- Race, ethnicity, religious beliefs, sexual orientation and political opinions
- Disability and access requirements

## **Why we use this data**

The purpose of processing this data is to support the school to:

### **Use of your personal information for marketing purposes**

Where you have given us consent to do so, school may send you marketing information by email or text promoting school events, campaigns, charitable causes or services that may be of interest to you. You can withdraw consent or 'opt out' of receiving these texts and/or emails at any time by clicking on the "Unsubscribe" link at the bottom of any such communication, or by contacting our data protection officer.

### **Our lawful basis for using this data**

We only collect and use personal information about you when the law allows us to. Most commonly, we use it where we need to:

Less commonly, we may also use personal information about you where:

- You have given us consent to use it in a certain way
- We have a legitimate interest
- We need to protect your vital interests (or someone else's interests)

Where you have provided us with consent to use your data, you may withdraw this consent at any time. We will make this clear when requesting your consent, and explain how you go about withdrawing consent if you wish to do so.

Some of the reasons listed above for collecting and using personal information about you overlap, and there may be several grounds which justify our use of your data.

### **Collecting this information**

While the majority of the information we collect from you is mandatory, there is some information that you can choose whether or not to provide to us.

Whenever we seek to collect information from you, we make it clear whether you must provide this information (and if so, what the possible consequences are of not complying), or whether you have a choice.

### **How we store this data**

Personal data is stored in accordance with our Data Retention Guidelines.

We maintain a file to store personal information about all volunteers. The information contained in this file is kept secure and is only used for purposes directly relevant to your work with the school.

## **How government uses your data**

The governance data that we lawfully share with the Department for Education (DfE) via GIAS will:

- increase the transparency of governance arrangements
- enable local authority maintained schools, academies, academy trusts and the Department for Education (DfE) to identify more quickly and accurately individuals who are involved in governance and who govern in more than one context
- allow the Department for Education (DfE) to be able to uniquely identify an individual and in a small number of cases conduct checks to confirm their suitability for this important and influential role

## **Data collection requirements**

To find out more about the requirements placed on us by the Department for Education (DfE) including the data that we share with them, go to <https://www.gov.uk/government/news/national-database-of-governors>.

Access is restricted to authorised Department for Education (DfE) and education establishment users with a Department for Education (DfE) Sign-in (DSI) account who need to see it in order to fulfil their official duties. The information is for internal purposes only and not shared beyond the Department for Education (DfE) unless the law allows it.

How to find out what personal information the Department for Education (DfE) hold about you Under the terms of the Data Protection Act 2018, you're entitled to ask the Department for Education (DfE):
