

Wootton St. Peters C of E Primary School

Our children become the rocks upon which a better world can be built.

Our Vision: Our children become the rocks upon which a better world can be built. We explore the values of *perseverance, compassion, and courage* to open up horizons of hope and aspiration.

Monday 3rd November- School starts 8.30am

Monday 19th November- Tempest-Individual and sibling Photos from 8.30 am.

Dear parents/carers,

The week started with a brilliant author visit from James Carter. He read extracts from his book, sang songs on his ukelele and did really engaging writing workshops with every class. The children absolutely loved the day and were inspired to write some really excellent poetry.

Many merits have been earned, a parent cried with pride - well done all! Here is one example from Jeronn.

Impossible gifts for my family

These are the gifts

That I would

If I could

Give to you

I'd give you the core of the earth.

A pinch of the magma that lies inside.

I'd give you all the mistakes in the past

With every single tale from the future

A fire that you could hold in your hand

A squirt of water with no gravity

The colour of a lime coat

And the protection of a blue umbrella

The life of the earth itself

And the everlasting time of the universe

An orb of destiny and fate

A hole with an endless time loop

The first breath of a child.

The last words of Shakespeare

The leadership of Winston Churchill

The loyalty of Alexander the Great

These are the gifts I would

If I could give to you

By Jeronn

St Peter's Day Service

Thank you to Mike Varnom and Rev Stephen Coe and members of the parish for leading a beautiful service to celebrate St Peter's Day. As you know, St Peter was not perfect; he had doubts, he made mistakes, he could get angry however he demonstrated perseverance, compassion and courage as he worked to spread the teachings of Jesus and be the foundation of the church. We take inspiration from the life of St Peter as we all strive to be the rocks upon which a better world can be built.

KS1 Pirate Day

Opal Class together with Little Gems had a Pirate Day as part of their topic this term on the Seaside. The children came dressed as pirates and had a wonderful day that was filled with pirate activities, games, stories, songs, Challenges and walking the plank!!

They all looked fantastic! Thank you to all parents for putting together their costumes.

Photographer for the new website and marketing Tuesday 1st July

As you may know the birth rate in Oxfordshire is very low, which means schools are having to work hard to attract children. On Tuesday 1st July we will have a photographer in school taking promotional photos and videos so we can market the school and update our new website (coming soon). Please send your children to school looking smart in their uniforms as usual.

Transition Morning Wednesday 2nd July

If your child is moving class next year they will be spending the morning with their new teacher and classmates. They will take part in the usual excellent learning opportunities that we provide on a daily basis.

Tuesday 15th July - Leavers / Retirement Picnic

Please join us on Tuesday 15th July, as we say a fond farewell to three wonderful members of staff. Mrs McNeil and Mrs Scott will be retiring, and Mrs Le Breton will be leaving. They have been a huge part of our school, and we will truly miss them all. They are extremely dedicated members of staff and we would like to celebrate all that they have done for the school over the years.

Please join us on the school field for a final celebration. We will be having a bring and share picnic. Each class will have a party picnic food sign up list, where you can bring in food to share. The food will then be placed onto

a table for each class, for the children to share with members of their class and their families.
Bring a picnic blanket and come and join us celebrating their time at Wootton.

The Mighty Orchestra! Some members of Wootton St. Peter's Ensemble have the honour of performing at the Birmingham Symphony Hall next month in The National Festival of Music for Youth. **To raise funds for travel, some of the players will be busking in the playground on Tuesday 1st July at 3pm pick-up.** There will also be handmade keyrings and jewellery to buy. Please do come along with some pennies and lend your support! Visit www.justgiving.com/page/themightyorchestraproject for more information.

The School Shield

Little Gems – Archie for working so hard on his writing and for using his sounds to independently spell what he wants to write. This is so great Archie 😊

Opal – Annabel for her pirate treasure map, you took your time and added lots of detail. Brilliant Annabel, well done 😊

Jade – Oliver for significant improvement in his presentation of work. Fantastic work Oliver 😊

Moonstone – Tilly for her excellent effort, concentration and presentation in all lessons and a fantastic plan and instructions for your sports day event. Amazing job Tilly 😊

This weeks Maths Master

Little Gems – Rosie for exploring pouring and filling different sized containers in our sand pit.

Opal – Kamilla for working hard at maths and particularly trying hard in the end of year assessment.

Jade – Ellion for his super accurate work on measuring angles.

Moonstone – Shyla for her excellent reading and interpreting line graphs and for excellent maths homework.

Well done to all our wonderful mathematicians this week

This Week's ask me about??

Little Gems – Pirate Day

Opal – Our Pirate Day and our Pirate story about Pirate Tom.

Jade – Angles- We love this game!
<https://nrich.maths.org/games/estimating-angles>

Moonstone – My special gifts poem.

This Week's attendance 23rd-27th June

Little Gems – 93.97%

Opal – 92.92%

Jade – 98.97%

Moonstone – 87.37%
