Parents/carers-

Your children are battling through coughs, colds and flu and are still producing excellent learning - well done to them for demonstrating our school value of perseverance so impressively.

Curriculum Enrichment

Next week we continue to offer excellent music enrichment with children from the school orchestra attending Orchestra Day at Radley on Wednesday 30th January. We have an excellent partnership with Radley and the children are sure to have an excellent day.

Number Day

On Thursday 1st February, we will be having a whole school number day.

Every class will be having some exciting, fun themed maths lessons throughout the day.

Please come dressed in a number theme, this could be a top with a number on, or you could

Make your own costume. Have a look at the ideas below. If you are able too

Please bring in £1, as we will be collecting money for NSPCC

If any of you would like to add to our enrichment through volunteering, coming into school to talk about your jobs, sharing a passion for a creative hobby or anything else you feel would benefit the children please contact the office.

Menu change

From next term, every Monday will be pizza day for school dinners. Week two will be pepperoni pizza instead of tomato and vegetable pasta. Thank you.

Little Gems – Rosie for trying really hard with her number activities and for being more confident with her counting.

Opal – Aryan for ordering his numbers from 1-20 smallest to biggest.

Jade – Tilly for working so well on Colum subtraction and for understanding concepts and can work abstractly.

Moonstone – Layla for improving really well with her Maths.

Well done to all our wonderful mathematicians this week

We are ox-cited to be one of the schools taking part in Oxford's first Art Sculpture Trail, raising funds for Sobell House Hospice. Our mini-ox will be delivered after half term, ready to be decorated by pupils. It will then form part of a community herd from over 80 schools and 30 professional artists, to live in the town centre throughout summer 2024 and be enjoyed by the Oxfordshire community. After this, our mini-ox will return to live at Wootton St Peter's.

The funds raised will help support patients and families through services including specialist nursing care, bereavement support and music and art therapies. We really want to raise as much as we can, and if we raise £200, this will be kindly matched by Oxford Electrical Systems Ltd.

Watch this space for updates, but for now please check out our GoFundMe page and share it far and wide!
