Fundraising

Would anyone like to take on the role of fundraising for the school? This is only going to take about half a day every two or three months. I can provide the template letters that I have used and the lists of educational foundations and trusts who are likely to give us money. There is also the possibility of crowd funding which has worked well in the past. I also use a very helpful website which is a tool for finding relevant trusts. You don't need to be a governor or a member of FOWS to do this. It's quite rewarding! If you are interested please let the office know. Thank you. Marian McLachlan, Rory's mum.
