Privacy Notice for Job Applicants

Privacy notice for job applicants

Under data protection law, individuals have a right to be informed about how the school uses any personal data we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about individuals applying for jobs at our school.

We, Wootton St Peter's CE Primary School Wootton Village, Boars Hill, Oxford, OX1 5HP, is the 'data controller' for the purposes of data protection law.

Our data protection officer is Nicola Cook of Schools DPO (see 'Contact us' below).

Successful candidates should refer to our privacy notice for the school workforce for information about how their personal data is collected, stored and used.

The personal data we hold.

We process data relating to those applying to work at our school. Personal data that we may collect, use, store and share (when appropriate) about you includes, but is not restricted to:

- Contact details
- Copies of right to work documentation
- References
- Evidence of qualifications
- Employment records, including work history, job titles, training records and professional memberships

We may also collect, store and use information about you that falls into "special categories" of more sensitive personal data. This includes information about (where applicable):

- Race, ethnicity, religious beliefs, sexual orientation and political opinions
- Disability and access requirements

Why we use this data

The purpose of processing this data is to aid the recruitment process by:

- Enabling us to establish relevant experience and qualifications
- Facilitating safe recruitment, as part of our safeguarding obligations towards pupils
- Enabling equalities monitoring
- Ensuring that appropriate access arrangements can be provided for candidates that require them.

Shortlisted candidates

If you are shortlisted for interview we will ask you to complete a self-declaration of criminal record or other information that would make you unsuitable for work with children:

For example:

- if you have a criminal history
- if you are included on the children's barred list
- if you are prohibited from teaching
- if you are prohibited from taking part in the management of an independent school
- information about any criminal offences committed in any country in line with the law as applicable in England and Wales, not the law in your country of origin or where you were convicted
- if you are known to the police and children's local authority social care
- if you have been disqualified from providing childcare
- any relevant overseas information.

The purpose of this self-declaration is so that you have the opportunity to share relevant information and this can then be discussed and considered at interview, before a DBS certificate is received.

In addition, we will carry out online searches on shortlisted candidates so that we have the opportunity to explore any incidents or issues that are publicly available online, during the interview process.

Our lawful basis for using this data

We only collect and use personal information about you when the law allows us to. Most commonly, we use it where we need to:

- Comply with a legal obligation
- Carry out a task in the public interest

Less commonly, we may also use personal information about you where:

- You have given us consent to use it in a certain way
- We have a legitimate interest
- We need to protect your vital interests (or someone else's interests)

Where you have provided us with consent to use your data, you may withdraw this consent at any time. We will make this clear when requesting your consent, and explain how you go about withdrawing consent if you wish to do so.

Some of the reasons listed above for collecting and using personal information about you overlap, and there may be several grounds which justify the school's use of your data.

Collecting this information

While the majority of the information we collect from you is mandatory, there is some information that you can choose whether or not to provide to us.

Whenever we seek to collect information from you, we make it clear whether you must provide this information (and if so, what the possible consequences are of not complying), or whether you have a choice.

How we store this data

Personal data we collect as part of the job application process is stored in line with our Data Retention Guidelines.

When it is no longer required, we will delete your information in accordance with our Data Retention Guidelines. A copy of this can be requested from the School Office.

Data sharing

We do not share information about you with any third party without your consent unless the law and our policies allow us to do so.

Where it is legally required, or necessary (and it complies with data protection law), we may share personal information about you with:

- Our local authority – to meet our legal obligations to share certain information with it, such as shortlists of candidates for a headteacher position

- Suppliers and service providers – to enable them to provide the service we have contracted them for, such as HR and recruitment support
- Professional advisers and consultants
- Employment and recruitment agencies

Transferring data internationally

Where we transfer personal data to a country or territory outside the UK, we will do so in accordance with data protection law.

To exercise any of these rights, please contact our data protection officer.
