### **Dear Parents,**

Do we offer high quality learning experiences on a daily basis? Of course we do! Walking through the school just now I saw high quality physical development in Little Gems, herbal medicine making in Opal class, piano performances in Jade class and amazing gymnastics in Moonstone class - they were performing cartwheels on the beam. I wish school, was as good as this when I was young.

### Parent Conversations

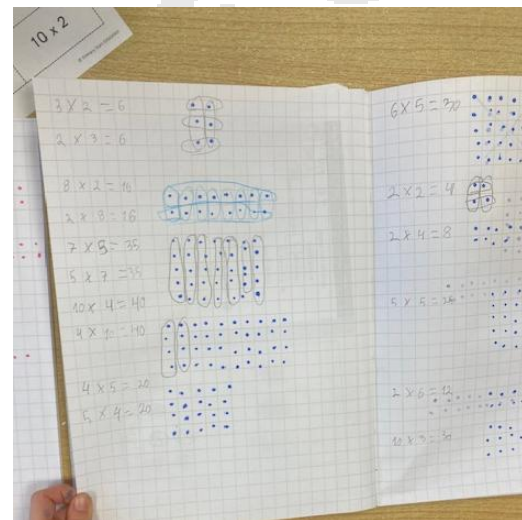

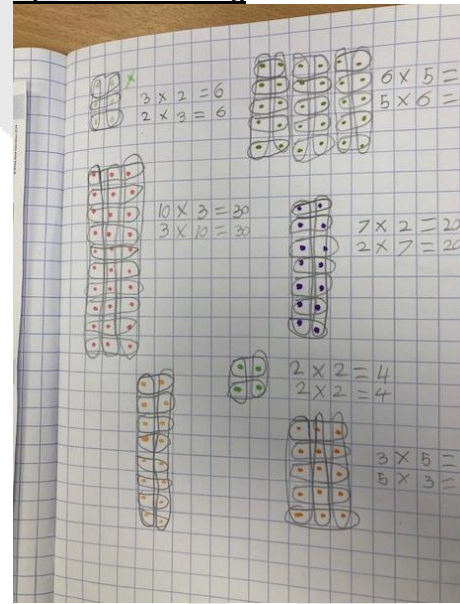

As you will see from the dates above Parent Conversations will take place on Thursday 27<sup>th</sup> March and Tuesday 1<sup>st</sup> April. Appointments will be available to book very soon.

### Little Gems Class Assembly

Little Gems Class Assembly is on Wednesday 2<sup>nd</sup> April at 9:30. We hope as many parents as possible from Little Gems will be able to attend and celebrate what your children have been learning this term. It will also give us the opportunity to say our farewells to Ms Klepac.

Best wishes,  
Charlie Pitt

To celebrate World Book Day next week, the children will be involved in many exciting activities: one of which, reading their favourite picture book to a friend. Please can your child bring in their favourite picture book on Thursday 6<sup>th</sup> March - it will be returned this same day. We would also like to invite the children to take part in a class book swap whereby they would swap a book they have finished with and are happy to part with, to gain a new book brought in by someone else.

We look forward to an exciting day of reading!

Thank you and kind regards,

Miss Tolley

## Year 5 Children

We are pleased to let you know that Y5 will have forest school this term on Thursdays from 9.30-12.15. Please can they come to school in warm, old clothes, which you don't mind them getting muddy. They will also need a change of shoes such as wellies or walking boots. They will also need their school uniform with them, to get changed into after the session. This will give them something warm and dry, for the afternoon, encase it rains.

## FOWS Update

There's a warmth in the air and we are ready to spring into action with some exciting events.

## Science Week

## W/C 10th March

FOWS are delighted to be sponsoring Science Week. More details will follow, but we have the opportunity for a sneaky peek and Mrs Hicks and the staff have some fantastic activities planned and we're so pleased to be able to provide resources to enhance the week for the children. Thank you for your ongoing support of our activities, because it makes things like this possible!

## Spring Disco

Places can be purchased from Monday 3rd March – either by cash to Angela Goswell at morning drop-off or afternoon pick-up or via BACS to FOWS: 60-01-01 63431173.

£2.50 per child. Please note that we will be going ticketless for this event, but all payments will be registered and Angela will confirm all BACS payments to you so you know they have been safely received.

In order to put on the disco, we need a lot of volunteers – helping to monitor doors and corridors, running the snack shop and being the nominated First Aider for the event. Adults are welcome to stay (for free) but we will be asking you which role you'd like to fill. If there is a particular role you would like to help with please contact Claire Hastie or Angela Goswell or email us on friends.wootton.school@gmail.com.

## Easter Teashop & Uniform Giveaway

Friday 28th March @ 3pm in the School Hall

If you are able to bake or donate some tasty treats please do let Claire or Angela know or drop us a line (friends.wootton.school@gmail.com)

## Volunteers
