Dear parents/carers,

Welcome back! As you can see this is a busy term with so much to be excited about. Your children have returned to school refreshed after the half-term break and have already shown what excellent learners they are. The writing across the school is really impressive, especially the persuasive letters written by Jade class. Please do check the dates carefully and add anything you need to your diaries. We are so lucky to have such a supportive community and your attendance at events is really appreciated.

'Get us to Birmingham Symphony Hall'

The *Mighty Orchestra* needs your help to get to their performance in the National Festival of Music for Youth. Over 200 young musicians from schools across the Abingdon, Oxford and Thames Vale area will be travelling to one of the world's greatest concert halls for a once-in-a-lifetime experience. We are challenging every participant to raise some money. Every little helps get us closer to this amazing performance!

You can make a donation by sending a text to the word 'ORCHTEN' or 'ORCHTWENTY' to 70085 to donate £10 or £20, or by visiting www.justgiving.com/page/themightyorchestraproject

Pirates of the Curry Bean

Thank you for helping your children learn their lines for what is promising to be a fantastic show. Mrs McNeil took a group of children to the Wootton and Dry Sandford Community Centre to perform a scene and invite people from the village to our Community performance on Monday 30th June. The children put on a fantastic show and impressed their audience – we hope to see many of them for the full show in a few week's time.

Radley Rocks

Jade class had a visit from Radley College geology department. They brought in a large collection of stones and fossils which complemented the children's learning about rocks and fossils earlier in the year. The children learnt even more about rocks and minerals and made some beautiful rubbings

Talking to your children about race

I led an interesting discussion with Opal class and Little Gems about why we look different and how it is never ok to make negative comments about how people look, especially in relation to skin colour. I found a very helpful Sesame Street video that I thought would be good to share as it gives a very clear explanation about why people have different skin colour and also about how although people may look different we share so many similarities. If you would like to watch this with your children here is the link:
