Parents/carers-

Excitement levels are very high as we have just finished our run through for our May Day celebrations. This day is a highlight of the school calendar and it made very proud to see such excellent Maypole dancing. As always the flower sticks look amazing - thank you so much for the effort you have put into making them as they do create a magnificent spectacle. In fact, thank you for all of your support during this action packed term, school wouldn't be the lovely place it is without having such an excellent parent community.

Tennis Team

Well done to the eight children who represented the school so well in a tennis tournament against 12 other Abingdon schools. We came a very commendable eighth. Mrs McNeil and Mrs Scott reported that the children played with skill, courage and excellent sportsmanship for the whole day!

Walk to school week

Children have really enjoyed walking, cycling, scooting and skipping to school this week. There has been a reduction in traffic outside of the school too making the journey to school greener and safer for all. Please continue to walk to school, it's a lovely way to start the day, it's healthy for your mind and body!

LEGOLAND

Would anyone like to take on the role of fundraising for the school? This is only going to take about half a day every two or three months. I can provide the template letters that I have used and the lists of educational foundations and trusts who are likely to give us money. There is also the possibility of crowd funding which has worked well in the past. I also use a very helpful website which is a tool for finding relevant trusts. You don't need to be a governor or a member of FOWS to do this. It's quite rewarding!

If you are interested please let the office know. Thank you.
Marian McLachlan, Rory's mum.
